

Bird Buddy

Strips of construction paper (any color)

Glue

String

Scissors

Markers, crayons

Googly eyes (optional)

Instructions:

- 1. Glue together the ends of one strip to create a circle. Repeat for a second circle.**
- 2. Take a piece of construction paper, that is the same size as the circles, and cut slits in small strip of paper to make tail. Glue to the top of one of the circles.**

- 3. Glue the second circle to the first covering where the constructions paper was glued.**
- 4. Cut a small triangle or diamond shape to make a beak and place on the top circle.**
- 5. Use markers, crayons, and/or googly eyes to decorate the bird.**
- 6. Name your new birdy friend!**
